**REPORTING ON CRIME AGAINST THE CONSTITUTIONAL ORGANIZATION  
AND STATE IN THE KINGDOM OF YUGOSLAVIA**

**Summary:** In this paper author analyzes newspaper articles published in the daily “Politika”, which refer to criminal acts against the state system, and which were committed by minors in the Kingdom of Yugoslavia. Historically, this is a very interesting form of crime, because in the mid-1930s in the Kingdom of Yugoslavia, the activities of Ustasha groups were noticed, which aimed to overthrow the state order of the Kingdom of Yugoslavia. Older minors and younger adults often participated in these groups. The aim of this paper is to point out the importance of the reaction of the then public to such subversive activities of the youth.

**Keywords:** juveniles, crimes against the constitutional organization and state
