**PARLIAMENTARY ASSASSINATION AND ITS CONSEQUENCES
THROUGH THE PRISM OF THE DAILY NEWSPAPER *POLITIKA***

Abstract: The research analyzes the legal, political and security aspects of the parliamentary assassination in 1928 through the prism of texts in the daily *Politika* after the parliamentary assassination. The research is formulated and structured through several thematic units that analyze the period from June 1928, i.e. the daily political situation in the Kingdom of Serbs, Croats and Slovenes, in a coherent, systematic and scientifically based way. It points to the rise of extremist and separatist aspirations in the kingdom, as well as to internal political reasons that resulted in the establishment of the six-year dictatorship.

Keywords: politics, assassination, violence, dictatorship, crisis, culmination
