**ONE HUNDRED AND TEN YEARS OF CRAFTS AND TRADE
IN VALJEVO 1824–1934**

Summary: This work is an attempt to briefly describe the development of crafts and trade in the territory of Valjevo, as well as the entire Kolubara district. Artisans and merchants were a respectable social class. They had a huge impact on the growth of the city of Valjevo into an economic-financial, administrative-administrative, cultural-educational, health and military center. The legal regulation of their work, the formation of guilds, different types of crafts, charity work, education and training, is the topic of this article.

Keywords: craft, trade, legislation, guilds, education, regulations, announcements
